Doc. 4444 - 3-17-

I am afraid you will
be a lot of trouble to get the
book, but I was sure to see it
and to be sure that the cat
wouldn't fight. Many thanks.
I am returning the postage, for
you must go into book-buying just
before Christmas. I expect to have
for you quite a lot of money, where
my address will be 328 E. 42,
as before. It was pleasant to
see you again, and to be told
that you had a good time. I hope
everything goes fairly well with you,
and that you will soon have got that
unpaid salary - which is really
too bad.
